

## Anglian Rover Owners Club winch challenge – March 2013

A few BORG participated in, and a lot of BORG marshalled at, the recent winch challenge organized by [AROC](#). (Indeed, I think all the marshals were BORG!)

Jon, Matt, Rachel and Alan stealing the AROC medals!

And a BORG team came third over all. Matt Urlwin with Jon Carter-Clark and Rachel Welbourne with Alan Web. Full results are available on [this page](#).

There are a few videos available at YouTube starting with [this one](#) – all as usual tagged “Borg4x4” In all there were some 20 teams each with two vehicles and four bodies taking part. The woods was a busy place that Sunday, as several local dog walkers found out.

Please note that BORG are invited to participate in ANY of AROC’s scheduled events, which include regular RTV, CCV and Winch challenges amongst others!
